WELCOME

Welcome to Rhythm Nation Studios

This guide explains how our Minis classes for 3–5 year olds work, what happens in each class, when they run and how to book a trial session.

> Many of the families who join us are new to dance, and our Minis classes are designed with them in mind. We like parents to know what their child is learning in class and why.
>
> Lots of our Minis start with us at three and carry on dancing with us through Juniors and Seniors. We look forward to meeting you both.

HOW MINIS CLASSES WORK

1

For ages 3–5

Minis classes are for children aged 3–5, up to Reception / Foundation stage. If your child is 5 and in Year 1, our Juniors classes are the right fit.

2

Small classes

Every Minis class has a maximum of 10 children, so your child gets proper attention from their teacher.

3

They go in, you watch

Children go into class on their own, which helps them become more independent. You can stay on site and watch from our viewing lounge.

4

Out of nappies

We ask that children are toilet trained. We understand the odd accident can happen while they're still learning.

5

Trial session

Every Minis class offers a one-session trial, so your child can try the class before you sign up.

6

Monthly payment

After the trial, classes are paid monthly. Prices are on page 4.
